## 12.2 Start Procedure and order for SS1 Tir Prince

For the application of WRC Art. 45.2, SS1 is considered to be a super special stage.

12.2.1 No work on the cars will be permitted in the holding area before TC1. Crews may remove their cars from the holding area 10 minutes before their due time at TC1 to use the warm up area. All cars must travel in the same direction in the warm up area. Excessive speed, manoeuvring and donuts are not permitted.

### 12.4.3 SS14 Cholmondeley Castle

For promotional purposes the following cars are required to attend an autograph session within the special stage:

(competition numbers 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 14 & 16)

If any of these cars are running outside the leading 15 cars at the Stop line of SS 13 they will not be required to attend the autograph session.

RS13 is 150.97km and the target time is 3hrs 08mins. We would anticipate crews will arrive at TC14 within 2hrs 15mins of starting SS13. We would ask that teams instruct their crews to proceed through TC14 and SS14 (ignoring the control procedures) in a timely manner and proceed to Post 3 where they will be met by officials and are to follow their instructions.

No work may be carried out by the crew on their car after they pass through TC14. The crews may work on the car between the Stop line and TC14 after the autograph session.

Crews should be available to sign autographs for a minimum of 15 minutes. Crews are requested to walk along the line of spectators at the location. Team PR representatives are able to attend with promotional materials and umbrellas, should these be required. Team PR access will be through the VIP car park areas (passes can be supplied). The crews will have access to toilets and refreshments at this location.

Once each crew has completed their 15 minute autograph session (or no later than 15:35) they should return to their car and proceed to TC14 where they will follow the check in procedure laid out in WRC Art 33.

If any car included in this promotional activity breaks down between passing TC14 and passing through the Stop line of SS14 after the autograph session the car will be removed by the organisers to the road section before TC14 (RS13).
