

# Communicating with Safety Cars especially the FIA Safety Delegate

If you **are satisfied** that your area is covered by marshals and that the spectators are in acceptable locations. Use the hand signal below to indicate to the Safety Cars that everything is **OK**.

All OK

If you are **NOT satisfied** that your area is covered by marshals or that the spectators are in acceptable locations. Use the arm signal below to indicate that you need the Safety Cars to **STOP**

Need Assistance
