SECURITY

In light of recent events in the UK, please be extra vigilant about security this year. There might be random bag searches and sniffer dogs on duty at some stages. This is for your safety, so please be patient and allow extra time to get into the venues.

Please ensure you keep your belongings with you at all times. Do not leave bags etc lying around if you move to a different viewing area. If you see an unattended or suspicious item:

- Do not touch
- Try to identify an owner in the immediate area
- If you still feel it's suspicious or you feel concerned, don't be embarrassed or think anyone else will report it
- Report it to the nearest marshal or a radio marshal in their car. If it is before the competitors have started, please stop one of the safety cars and advise them of your concerns
- Move away to a safe distance – ideally at least 100m

REMEMBER – if you think it's suspicious – say something
